The Patriotic Orders of the town and the city officials will parade Tuesday evening preparatory to the dedication of the High school and Ninth street school buildings, which exercises will be held in the High school building, corner of Sixth and Reed avenue. All members of the different order are requested to meet in their respective halls at 7 o'clock sharp in order that there may be no delay in forming the parade. All members belonging to the uniformed ranks of the orders are insisted upon to wear their uniforms. The orders meeting in the Olympic hall will join the parade in front of the hall on Donner avenue. The committee takes this opportunity of soliciting all automobile owners and drivers to assist in the parade by using their machines in conveying the High school teachers, teachers of the Ninth street building and High school scholars The teachers and High school scholars will meet in the High school building where the automobiles will call for them at 7 o'clock to enter the parade as above designated.

Junior-Senior Banquet Successful Affair

Over half a hundred members of the local High school and faculty attended the annual banquet given by the Junior class to the Seniors at the Grand hotel last evening. The dining room was decorated in the class colors and huge boquets of flowers decorated the festive board. The program as announced in this paper recently was carried out in full and the affair proved the leading event of the year in school circles. Toastmaster James McQuaide handled his position in a most satisfactory manner and the addresses were interesting and filled with just enough humor to make the affair the success it was termed. The musical numbers were all well rendered and the performers received applause that called for encores.

R. F. Thomas Is Out To Win For Sheriff

R. F. Thomas of Greensburg, candidate for the Republican nomination for sheriff, was in town today shaking hands with the voters. He met many people he knew and many acquaintances while here. This is the second time Mr. Thomas has asked for the Republican nomination for this office and he believes he has a good chance to win. Mr. Thomas is a young man and has worked his way through life by his own energy. He has a smiling face and the moving spirit. He says if he doesn't win out it is his fault and the blame will be placed nowher else. Mr. Thomas doesn't do his campaigning in an automobile, but he tramps the sod and shakes the hand of the laboring man as well as the business man. He expects to reach the rank and file of voters and win favor by the impression he makes rather than through any "pulls" he may have.

Deserter Is Taken Back To Columbus

Officer Carlson took Lloyd King, the destrting army officer to Columbus, Ohio, where he was turned over to the recruiting station and where the $50.00 was paid for the capture of the man. King was dispatched to Pittsburgh but the officers there ordered him taken to Columbus. A telegram was received by the chief yesterday stating that everything was alright.

West King, a brother of the deserter, was also arrested and was turned over yesterday to the Fayette county authorities. He along with Clarence Carney was charged with larceny. It seems that Carney and King were accused of stealing chickens and junk and yesterday they made a confession that they were guilty. The hearing will take place this afternoon in Belle Vernon.

Big Time At Eldora Park Memorial Day

Memorial day will be celebrated at Eldora park with a splendidly arranged program. That is, next Monday—the day generally set apart as the Memorial day holiday—will be celebrated. Fire works will be set off in the evening as among the leading events, by the Dunbar company which furnished and handled the fireworks display at the park last year.

Afternoon and evening there will be dancing at the park, and all the amusements will be operated full blast. The Monday night dance usually given by Mrs. John Jenkins of Monongahela, will be carried over until a later date.

On Sunday which is really Memorial day on the calendar, the Louhi band of Monessen will be the attraction at the park in afternoon and evening concerts.

Tuesday night of next week the Delmar club of Monessen will hold their weekly dance and a private dance will be given on Wednesday evening by the Knights of the Skull of Monongahela.

A feature that promises to be popular at the park this season is that of the opportunity afforded for afternoon dancing. The park orchestra is to be on hand every afternoon as well as evening.

Only Two Cases In Police Court

John Nowak of Donora was before Burgess Dunlap this morning charged with being a suspicious character and sleeping in Marple's stables. He denied it, but Oliver Marple was present and testified that he had ejected him several times. The man was discharged upon promise to go back to Donora and stay there.

Mrs. Joe Schaffer and Leopold Warman of McMahan borough were before the burgess charged with having allowed their cows to run at large in the borough limits. They plead not guilty, but George Steiner, the man who made the information testified that he had been annoyed many times by the cows and the women admitted that the cows were not tied nor the lots fenced. The burgess fined Mrs. Warman $1.00 and costs of $3.00. She said she had no money with her and was allowed to go home upon promise to send the money tomorrow.

RAILROADS FIGHT ARKANSAS COMMISSION

St. Paul, Minn., May 28—The real battle in the war between the railroads and the Arkansas Railroad Commission is expected to be fought here today, when a hearing will begin in the federal court on the petition of the St. Louis & San Francisco and the Kansas City Southern for a permanent injunction against enforcing the new freight rates scheduled in Arkansas. A temporary injunction was granted at Little Rock on May 19. The schedule adopted by the railroad commission is the bone of contention, the railroads claiming the tariffs would produce such a fall in freight receipts that the new rates are confiscatory.

Italians Willing To Return To Fight

Three thousand able bodied Italians along the Monongahela valley from Monessen to Brownsville inclusive, are ready to respond to any call to arms that might come from their native land. However, there is little indication, according to a prominent local Italian that they will be summoned for some time.

A canvass made at one turn in the Tin mill yesterday showed that there were fifty men who would respond if the call came from their country. The entire lot from this district would constitute approximately three regiments, and with those from the Pittsburgh district, form about nine or ten regiments.

Services To Be Held In Star Theatre

Arrangements are about completed for the union services by local church congregations Sunday evening in the Star theatre appropriate to Decoration Day. The Ministerial association is in full charge with Rev. J. M. Jamieson, president, conducting the religious exercises, and A. H. Davis, the musical program with the Male chorus.

Rev. A. W. Davies, pastor of the M. E. church and Rev. J. B. Swain, pastor of the Christian church, will speak for fifteen minutes on different phases of the subject "Religion and Patriotism." Praises services will commence at 8 o'clock.

It is expected tha several patriotic orders will attend the services in a body. The invocation will be pronounced by Rev. H. O. MacDonald and the benediction by the Rev. C. E. Keller, while Rev. W. S. Carson will give the scripture reading, and other ministers will take some part in the services.

Since practically all the congregations of the town will be dismissed from their regular Sunday evening services, it is expected that the Star theatre will be well filled for the occasion.

Exercises Monday will be held at 2 p. m., in Sixth street park when Hon. E. E. Robbins will speak to a large out door audience and particularly to more than 1,000 school children, after which the G. A. R. services will be held at Grandview cemetery.

Don't Be a Bully

Don't try to bully the world. It does not pay. Whoever enters the ring for a rough and tumble fight with public opinion is pretty sure, eventually, to be "knocked out." Society is a Briaerus, and who would think of encountering with a single pair of fists, a hundred armed fellow? Better shake the multitudinous hand of the giant, good naturedly, than unnecessarily provoke his wrath. Despise the world if it so please you, but as you have to live in the world and to lean on the world, it is just as well to treat it civilly. Shrewd men, who understand their race, never seek a quarrel with society. They understand that it is possible for an individual to lead and quietly control a community, but not to fight it down and not to force it to their way of thinking by means of narrow laws. If you desire to reform supposed or real evils or disabuse your fellow men of their prejudices, the surest way not to succeed is to resort to denunciation and abuse. Kindness, conciliation and the influence of a good example—these are the true and effective means of a reform.

We're Still For Peace

"No interest of ours would be served by America's entrance into the war." --London papers.

Now, don't you be so cockey. Uncle Sam is going to go the limit to keep out of your war, but he never yet has gone to war, at home or abroad, with out making it almighty interesting to everybody concerned.

Before the war ends, you London editors may be right interested in getting more food and war supplies into London and you might be happy to observe Uncle Sam's navy protecting a safe trade road, as it were, from New York to Liverpool. At this writing, we have in mind a nation that would feel good to see Uncle trying to do this in its behalf, right now. But Uncle is strictly neutral. They're making it a bally old tough job for him, with their nagging, submarines and other things, but he's just as stubborn as a neutral as he is as a fighter. If nobody wants him in the fight, it suits him perfectly. He's not only about the sole high moral, civilized fellow on earth, but, also, business is improving.

Two Opposite Pictures

A better general comparison of Taft and Roosevelt could not be secured than in their recent declarations as to the president's handling of the Lusitania matter.

Taft advises that before action is taken, all the evidence be heard, the consequences of war be carefully considered, and all measures adequate to settle the matter with honor be resorted to. There's the judicial temperament.

Roosevelt talks about blood and iron and suggests that all traffic with Germany be prohibited and traffic with Germany's foes be encouraged. Raise the devil within 24 hours is the burden of his cry. There's the Roosevelt temperament.

You might call Taft slow and sane and Roosevelt fast and furious. Give either of them the job of actually handling the matter, however, and probably neither of them would act exactly as his temperament urged. There hardly ever was an onlooker who couldn't see better ways of doing a job than those employed by the fellow who was actually at it. There are lots of people who claim that they can run a newspaper better than the fellow who owns one.

FLAG TAG DAY TOMORROW

The upper Monogahela valley will be invaded tomorrow, not by the hostile army of an enemy, but by a coterie of beautiful girls and young women on a mission of charity at home. The newly organized Ladies Auxiliary of the Monessen-Charleroi hospital at Charleroi has arranged for something both unique and interesting over the observance of Decoration Day. What they have chosen to call "Flag Tag Day" will be observed in the Magic City and surrounding towns.

About 50 girls of the Charleroi High school have volunteered their services and from 9 o'clock in the morning until 9 o'clock in the evening they will bombard the town hereabouts for charity. Each girl or young lady will carry a sealed box which will not be opened until headquarters is reached.

Into these boxes the persons approached may deposit what they will for the hospital, in return for which they will be given a tiny silk flag two inches square with a pin, just the right size to wear on the lapel or dress over Sunday and Monday.

It is expected that at least 20 of these High school girls will remain in Charleroi, from 8 to 10 go to Belle Vernon, 3 or 4 to Speers, several to Fayette City and fully a dozen to Monessen, where they will be escorted about the town and assisted in every way possible.

People are asked to receive them as kindly and liberally as they are able, being neighbors on a friendly mission.

BASE BALL

In the Junior H. S. base ball league, 7A greatly surprised 7B and moved into first place, making 7B in second place. 7B's erros and 7A's hitting won the game.

The score:

7A .... 3 0 3 0 2 0 2—10
7B .... 0 0 0 3 3 2 0— 8

Batteries—78—Davies and Hopkins; 7B—Yoney and Vennedi.

7B defeated 8A thereby making them tie with 7A for first place. Young pitched a good game while 7B hit well. 8A fought bitterly to try and defeat 7B which would have allowed 7A to win the championship, but to no avail.

7A and 7B being tied for first place an extra and deciding game must be played. This will be a hard fought game as both teams are confident of victory. The score:

7B .... 2 2 0 1 0 5 1—11
8A 1 2 0 0 0 1 5J 9

Batteries—7B—Yoney and Venneri; 7A—Hughes and Hopkins.

Ponce de Leon Failed; His Prize Is Found

Ponce de Leon, the daring explorer, searched among the swamps of Florida for the Fountain of Youth, which the Indians said would restore power and make people young. He did not find it.

Thousands of chronic intestinal, bowel and stomach sufferers have written to Geo. H. Mayr, 154 Whiting St., Chicago, in quest of health. They have found it. His remedy, composed of healing vegetable oils from France, has indeed given them back the health of youth.

Why suffer from indigestion, gases on the stomach, fainting spells, torpid liver, constipation and all the evils of a disordered stomach when there is permanent relief here? Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

HOW DEAR TO MY HEART ARE THE DAYS OF MY CHILDHOOD

All Due Apologies to the Author.

How dear to my heart are the scenes of my childhood;
I think of them now with the keenest regret.
How peaceful I roamed either city or wild wood
Without being heckled by one Suffragette.

But now there are throngs of these women on corners,
Haranguing and nagging at each passer by.
An army of feminine greedy Jack Horners
All sticking their thumbs in political pie.

How dear unto me is my sensible mother,
Although some would say she is docile and tame,
I greatly prefer her calm poise to that other,
The noisy obstreperous vote-seeking dame.

—Florence Goff Schwarz.

Washington, which established woman suffrage in 1910, has the greatest number of divorces per 100,000 inhabitants, being followed by Wyoming, Idaho and Colorado, all suffrage states, in this respect.

The New No. 3
INVERTED REFLEX LIGHT
TRADE MARK
The very latest development in Gas Lighting

Increased Efficiency of 50 per cent over the ordinary inverted Gas Burner. Gives 80 candle-power, same as the larger Gas Burners. Handsome in appearance. Sheffield design. Dainty in size. 7 inches in length. Consumes one-third the amount of gas. One-third the heat from the burning lamp. One-third the breakage of Glassware. Two-times stronger Mantle (this is due to its being smaller and more rigid). Absolutely will not tarnish. Can be supplied in any finish. Like all Gas Lights under the name, "Reflex," it carries the same guarantee of satisfaction. This burner represents the finished product of numerous experiments covering three years in the laboratories of the Original Welsbach Company, the oldest and largest manufacturers of the most efficient Gas Appliances in the world. Their great aim is to eliminate the present objections to the average gas burner, viz: too much gas consumption, heat, breakage of mantles and glassware, tarnishing of burner and fixtures, and deterioration in candle power.

It is worthy of the consideration of the gas consumers who desire to reduce lighting trouble and improve their lighting conditions.

Wheels and the World.

The history of the evolution of locomotion as well as an infinity of other studies of the keenest interest could all be centered in the wheel.

Without wheels we should have no watches, no steering at sea. We should be unable to utilize the waterfalls as motor force, nor should we have hundreds of other things of the utmost attraction and utility.

All our modern civilization has come to us on wheels. All we know about other countries, all the commerce we have established throughout the world and our means of wealth we owe to the wheel. It is difficult to imagine what the world would come to if suddenly all wheels vanished from our midst. No war, no famine, no revolution, could be one-hundredth part as effectual in putting us back centuries as the lack of wheels.

The romance of wheels has gone, never to return again. Wheels are now looked upon merely as accessories, whirling indifferently, faster and faster, but practically ignored.

Spick and Span.

"Spick and span" comes from the "spikes" and "spanners"—the books and stretchers for stretching cloth new from the loom.

Loaned Books.

When loaning a book always keep the name of book and name of person to whom the book is loaned. Write it down.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. At 10c and 25c per box. All druggists.

NEW YORK CLAIMS BIG VANDERBILT TAX

New York, May 27—The state of New York will fight any contention that the late Alfred Gwynne Vanderbilt was a non-resident, and that therefore his vast estate is free from the transfer tax. Some $1,600,000 in one lump sum, is in view, and the amount might run as high as $3,060,000. The estate is valued at $40,000,000 as a minimum. Although it was generally believed that Vanderbilt had become a resident of Newport, the state claims him as a legal resident Just how seriously Rhode Island would contest the claim is not considered, for there is no such tax under the laws of Rhode Island, and it is doubtful whether a legal fight would be made to substantiate the claim that he was a Newporter.
